### 總監的話

#### *A Fruitful October*

October had a pleasant weather and was a good season to meet friends. This is the month of END POLIO and October 24 is the World Polio Day. It is a time for Rotarians from all over the globe to come together, recognise the progress we have made in our fight against polio, and plan the action we must take to end polio forever.

The district fellowship committee organized the End Polio Walk at the peak on Oct 19, 2019. Over 500 members participated. Up to the end of October, our district had already raised US\$125,659 from 66 clubs to End polio. Endo Polio is one of the signature projects of rotary. The walk not only remained us the importance of ending polio but also gave us a wonderful fellowship that we connected our members and families.

This month we also arranged three consultation sessions for setting up a new and effective future district governor election system. Over 110 members from over 50 clubs joined our district resolution consultation sessions. District officers, Presidents and attended members will bring the information and further discuss at their own clubs. Other consultation sessions in Macao and Mongolia will be held in November. We do look forward to hearing the idea from our members in order to set up a widely accepted new district governor election system. Under the chair of PDG YK Cheng, more information will be provided by district resolution committee in the coming months.

Furthermore, my team and I also continued our DG visits with 28 clubs this month. The visits enhanced mutual understanding between district and clubs. By the visits, we not only updated clubs about what district is doing, but also knew more about clubs' operation. District would be glad to support our clubs and in return make district 3450 stronger.

In October, Area one had organized a joint talk for peace mediation. We invited the renowned mediation speaker Mr. TK Iu who gave an interesting and enlightening talk to our members that has aroused our members' interest in mediation. We are planning to organize future mediation class in Macao that will be useful to our members in managing club affairs and their daily issues.

Youth is always one of the significant aspects of our district. District Youth Committee launched the youth showcase in October that gave clubs and members knowing more about the district youth events in various aspects including RYLA, Interact, Rotaract, Youth Exchange, Interota and other youth projects. We are all under the big family of Rotary. Let's do support our young generations.

# PRESIDENTIAL MESSAGE NOVEMBER 2019

Source: RI Website

Rotary Day at the United Nations, which we celebrate each November, is an important reminder of the historic relationship between our organizations. But this year's event is even more important than usual, because we are building up to the 75th anniversary of the signing of the UN Charter in June 2020.

You might ask, why celebrate this anniversary? For Rotary, it is entirely appropriate, because we played such a critical leadership role in the San Francisco Conference that formed the United Nations in 1945. Throughout World War II, Rotary published materials about the importance of forming such an organization to preserve world peace.

Not only did Rotary help influence the formation of the UN, but this magazine also played a leading part in communicating its ideals. Rotary educated members about plans to create the UN through numerous articles in The Rotarian and through a booklet titled From Here On! When the time came to write the UN charter, Rotary was one of 42 organizations the United States invited to serve as consultants to its delegation at the San Francisco Conference.

Each organization had seats for three representatives, so Rotary International's 11 representatives served in rotation. The people officially representing Rotary included the general secretary, the current and several past presidents, and the editor of The Rotarian. In addition, Rotarians from Africa, Asia, Australia, Europe, and North and South America served as members of or consultants to their own nations' delegations.

We have a deep and lasting relationship with the UN that deserves to be celebrated and appreciated. To recognize this relationship, Rotary will host five special events between now and June: Rotary Day at the UN in New York on the 9th of this month; three presidential conferences next year in Santiago, Chile, in Paris, and in Rome; and a final celebration just before the Rotary International Convention in Honolulu.

The focus on the UN in the year ahead is not only about the past; it also lights a path to our future. There are so many parallels between the work we do through our areas of focus and the work of the UN Sustainable Development Goals. While those goals are indeed incredibly ambitious, they provide inspiration and direction — and are similar to many Rotary goals, which have proven to create lasting, positive change in our world. The goals can be achieved, but only if undertaken with the same long-term commitment and tenacity that Rotary understands so well. Alone, we cannot provide clean water for all, we cannot eliminate hunger, we cannot eradicate polio. But together with partners like the United Nations, of course we can.

Please consider attending one of our five UN celebrations. I look forward to sharing news of these special events with you throughout the year.

## 特別的『扶輪日』

每年11月,尤其在聯合國所在地紐約,我們會慶祝一個大日子 – ‘Rotary Day’ 『扶輪日』。今年尤其別具意義,因為 2020年6月,是簽署聯合國憲章75周年紀念。對於扶輪來說,我們熱烈慶祝『扶輪日』,是有充分理由。早於1945年,促成聯合國成立的舊金山會議,正正由扶輪社友積極帶領推動。當聯合國編寫約章,邀請42家機構擔當顧問,扶輪也自然成為其中一員。扶輪與聯合國淵源深厚,每年11月至翌年6月,我們會舉辦5項活動紀念這個大日子。包括11月9日在紐約聯合國舉辦的『扶輪日』,明年在聖地牙哥、巴黎、羅馬舉行的‘Presidential Conferences’ 『首長會議』,以及在檀香山舉行的扶輪年會。請各位社友密切留意各項活動,並期待您們的參與。

# DISTRICT YOUTH SERVICE SHOWCASE

Written by IPP Jack Chong (RC of Kowloon Northeast) & Endorsed by PDG Eugene Fong

With a blink of an eye, the first few months of the current Rotary year has already passed by. Over these few months, the District Youth Service Committee has often received the below questions, perhaps you have wondered about these also?

**How to sponsor a new Rotaract/Interact club?**

**How to better connect with your existing Rotaract/Interact club?**

**What's going on this within Youth Service in our district and how do I get involved?**

The District Youth Service Showcase, which was held on October 28th, 2019 (Monday) at The Wave Mongkok, gave participants insightful information to answer all these questions. At this showcase, our committee chairs in Rotaract, Interact, Youth Exchange, Rotary Youth Leadership Awards (RYLA) shared the plans for this year in their respective areas, and also key highlights and tips on how to run your youth service projects.

Even if you may feel that you are already quite knowledgeable in these areas, we can always improve on how to better run your Youth Service projects, and this showcase was a great opportunity for participants to learn more and get your questions answered!

We will likely hold another showcase early next year to accommodate those who could not attend this time. It is encouraged for all Rotarians to attend, especially Presidents, Youth Service Chairs, and new Rotarians – please stayed tuned!

A new format **District Youth Service Seminar** was also shared during the Showcase, to be planned to be held later this year. In light of the theme for this Rotary Year being "Rotary Connects The World", a new way of thinking about a seminar will be conducted in hopes of giving the energize and captivate all participants. This year, the traditional seminar format will be changed to a Case Study Competition – where Rotary clubs must work with their Youth counterparts (be it Rotaract, Interact, or other youth partners) to come up with creative solutions to challenging problems we are facing in running our Youth Service projects. By brainstorming, working together to propose solutions, and then sharing the findings with other participants, the goal is to be able to transfer the key knowledge in a fun, interactive and also rewarding way! Details of this competition are still undergoing planning, and feedback and suggestions are welcome! If you are interested in either helping to plan or to participate in this upcoming event, please don't hesitate to reach out to members of the Youth Service Committee.

今年的扶輪少年服務簡介，在10月28號成功舉行。在簡介會內，給參加者分享了有關扶青，扶少，國外交流，及各位今年地區計劃舉辦的項目。此簡介會提供資源給時間來解答各社有可能遇到的問題，讓各社可以在你們自己的青年服務得到成功。為符合大家的時間，我們也會在不久的將來再次舉行簡介會，大家請密切留意！

# DISTRICT MEMBERSHIP COMMITTEE

By PDG Kenneth Wong & PDG HW Fung

Dear Fellow Rotarians,

The Rotary Clubs of Kwun Tong and Peninsula Sunrise signed an MOU to become 'Connected Clubs' in August 2019, while the Rotary Clubs of Hong Kong Sunrise and Guangdong-Hong Kong-Macau Greater Bay Area did the same in September 2019.

You may be interested in knowing what has happened to the above clubs, after they have become 'Connected'. Your quench can be best met by seeing the videos recorded in the attached link, where the presidents of the connected clubs frankly share their feelings and experience of being 'connected' in the past 2-3 months. It appears that the 'Connect' has brought about real synergy and also significant broadening of interest, knowledge and experience in various Rotary perspectives among club members. The positive effect of connecting clubs appears obvious.

Should any of you be interested in knowing more about how to become connected clubs, feel free to approach any of the District Membership Committee members.

**Stay connected is the key to success.**

## 各位扶輪社友：

觀塘扶輪社和半島旭日扶輪社在今年8月簽署了備忘錄成為「連結社」，緊接著在今年9月香港旭日扶輪社和粵港澳大灣區扶輪社也簽署了同樣的備忘錄。

相信大家都很想知道以上4個扶輪社成為「連結社」後，有甚麼得著。很高興這4個社的社長都很樂意與大家分享在過去兩三個月間，成為「連結社」後的感受和經驗！他們的分享都拍了短片，放在本文末的連結。根據他們所述，「連結社」真的帶來很實在的協同效應，在各方面都能大大提升社員的扶輪興趣、知識、和經驗，正面效果十分明顯。

若您們想知多些有關如何成為連結社的資訊，請隨時與地區社員委員會任何一位委員聯絡。

# MEDIATION SKILLS THAT ARE ALSO LIFE SKILLS

By RC of Penha, Macau

The Seminar on "Mediation Skills that are also Life Skills", co-hosted by Rotary District 3450 Peace Committee and Six Rotary Clubs of Area 1, i.e., Rotary Club of Hou Kuong, Rotary Club of Macau Central, Rotary Club of Guia, Rotary Club of Macau Islands, Rotary Club of Amizade, Macau, and Rotary Club of Penha, Macao, was successfully held on October 23.

Conflict has existed everywhere, where there are people, where there are ideas and values, i.e., in politics, families, communities, and even on campus. However, most of them could have been avoided if there were effective communications.

"Mediation", a process of rebuilding dialogues and solving problems through effective communications, is just the way to achieve peace and harmony in families, schools and communities.

Therefore, the Mediation Seminar was organized on October 23 and we had the honor to have Ting Kwok IU, Mediator and Solicitor, as the keynote speaker to explain the principles and methods of resolving conflicts from various angles.

**Mediation Skills that are also Life Skills**  
1. Separate People from the Issues  
2. Power of Listening  
3. Go to the Balcony  
4. Empathy  
5. Tringle

Apart from the Area 1 Rotarians, we were glad to have Participants from different social sectors, including: medical professionals, educators, social workers, and students, etc.

In addition to the Seminar, there were also ceremonies induction of new members and to celebrate October birthdays, as well as the toast by the District Governor Wilson CHENG and the six Club Presidents. The dinner came to a successful conclusion in a happy and harmonious atmosphere.

## CHANGES TO AREAS OF FOCUS

The Rotary Foundation recently made changes to Rotary's areas of focus. Some of the goals of the areas have changed, and activities that relate to the environment have been included for most areas. The names of three of the six areas (marked with asterisks) have been adjusted to better reflect the types of projects that Rotary members are carrying out. The Areas of Focus Policy Statements, available at [my.rotary.org/en/document/areas-focus-policy-statements](http://my.rotary.org/en/document/areas-focus-policy-statements), reflect these updates.

### The areas of focus are now:

- Peacebuilding and conflict prevention\*
- Disease prevention and treatment
- Water, sanitation, and hygiene\*
- Maternal and child health
- Basic education and literacy
- Community economic development\*
